

TAH DAH!TM

The Dice Game of Speed & Luck!

GOOSE EGGTM

Roll 'Em & Weep!

**Ages 8 to Adult
For 3 to 8 Players**

Two Games in One!

GOOSE EGG

Objective: To roll the highest number of multiples of your number (#3 = 3, 6, 9, 12, 15, 18, 21, 24, 27).

Choose a numbered card, then roll that number to win! A roll of 3, 4, 5 = 3×4 , 3×5 , $4 \times 5 = 12, 15, 20$. Players holding numbers 3, 4, and 5 can all mark their cards to advance. But, roll a Goose Egg (0) and you're in trouble! Accumulate, or roll three Goose Eggs (0, 0, 0) and you start all over!

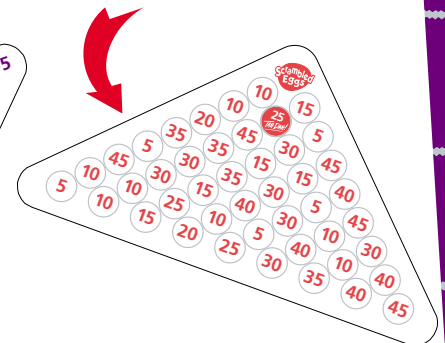

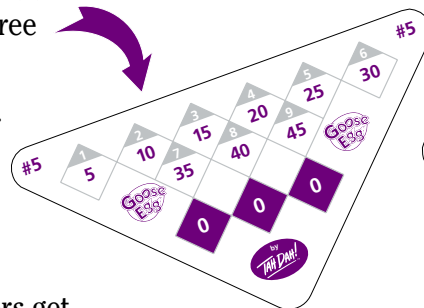

Teachers! What a fun way to practice your multiplication! *Just learning to multiply?* Match the number rolled with your number card to see the answer.

Active and involved? Yes! One to three players get to play per turn. **For 3 to 8 players, ages 7 to adult.**

Contents: 8 silkscreened plastic numbered cards; 100 plastic chips; and 3 jumbo 10-sided dice.

SCRAMBLED EGGS

Objective: To reach the top of the numbered pile. We've scrambled all the multiples! Now you roll your way to the top or get egged right off the board!
